Re: United States v. James Marquez  
7:06-cr-01138 (CM)

Dear Judge McMahon:

We are counsel for defendant James G. Marquez in this matter, which was reassigned to you by notice entered on December 21, 2006.

I am writing to request that the Court modify Mr. Marquez's bail conditions to permit him to travel to New Orleans during the period January 13, 2007 through and including January 20, 2007 in order to participate in a volunteer disaster relief effort organized through Christ Church of Greenwich, Connecticut.

Mr. Marquez's current bail conditions provide that his travel is restricted to the states of New York, New Jersey and the six New England states. A copy of Mr. Marquez's Appearance Bond is attached hereto for the Court's reference. Mr. Marquez has surrendered his passport.

I have spoken with Assistant United States Attorney Margery Feinzig who is in charge of this prosecution, and she has no objection to this request.

Respectfully submitted,
